Ladies and Gentlemen:

Congratulations on your nomination of Doug Laskowitz as a finalist for the 2007 Contractor of the Year.

We are currently about 80% complete on a major remodeling project at our home in the Rose Garden area of Cape Coral. Doug and his Community Homes organization have made our project a delightful experience. From the thorough pre-planning process he uses, to his excellent sub-contractors and his personal, hands-on presence at every stage of construction, we could not be more pleased.

We moved here from the Midwest, where a 30-year career in banking brought me into contact with many contractors. Doug Laskowitz ranks among the finest with whom I have worked. He is satisfied only with the highest standards of quality in every phase of construction. He is responsive to suggestions or questions, very knowledgeable, and, to top it off, a real gentleman.

In our minds, Doug Laskowitz is already the Contractor of the Year. We hope that your organization will make it official.

Sincerely,

W. Curtis Graff
